IRU Task Force on Innovation in Mobility

We live in a fast changing world:

- ❑ Enabling technologies
- ❑ Global market
- ❑ Disruptive business
- ❑ Customer driven perspective

IRU Task Force on Innovation in Mobility

- ❑ A Task Force for Passenger Road Transport has been established to:
 - ❑ Analyse and discuss key innovative topics
 - ❑ Issue guidelines and recommendations
 - ❑ Participate in calls for co-funded projects

IRU Task Force on Innovation in Mobility

As an initial setup, it will address the following topics:

- ❑ Mobility as a Service
- ❑ Multi-modality (integrated traveller information, booking , ticketing, multi-modal terminals)
- ❑ Autonomous Driving and Autonomous Vehicles
- ❑ Electric (and alternative propulsion) Vehicles

IRU Task Force on Innovation in Mobility

How does the Task Force work:

- ❑ Meetings
- ❑ Seminars and sessions at events
- ❑ Workshops organized with IRU members and partners
- ❑ IRU Projects acting as the secretariat
- ❑ Reserved to IRU members

Thank you for your attention!
