**Every day, buses and coaches around the world**

bring millions of passengers to their intended destinations with the lowest impact on the environment.

**Buses and coaches are instrumental**

in providing safe, clean, efficient, affordable, user-friendly and inclusive transport services.

**Buses and coaches offer an optimal response**

to current and future mobility and travel challenges. Placing buses and coaches at the centre of the political debate and promoting their use is the smart move to achieve sustainable mobility for all.

**Make the Smart Move now**

and join us in bringing clean and safe mobility to all!
